Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

The undersigned contacted the Examiner on September 22, 2008 to bring to the Examiner's attention the fact that the embodiment of Figs. 44 and 45 of the present application did not appear to have been taken into account with respect to the Examiner's issuance of the Office Action dated September 3, 2008 setting forth an Election of Species Requirement. The Examiner agreed that this was the case, and that the embodiment of Figs. 44 and 45 should have been set forth as a species.

Responsive thereto, Applicant hereby elects the species of Figs. 44 and 45, without prejudice, for prosecution in the instant application. Claims 35-50 are readable on the elected species.

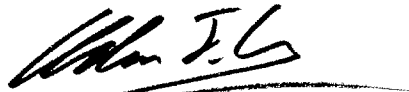

Applicant reserves the right to pursue the subject matter of the non-elected species in one or more divisional applications.
